Soft Side

Madeleine

Maybe, just maybe itâ€™s
Just as bad as a heart attack
Or maybe itâ€™s not as bad
As I think

Remember November
Nobody ever said itâ€™s now or never
Just goodbye and you didnâ€™t
Even blink

Ahhh

Endless, relentless
This dizzy in my heart, hot and hellish
Got me helpless and
Down on my knees

Curse you, I curse you
Youâ€™re standing there
And whatâ€™s even worse you
Donâ€™t know what you do to me

Ahhhh

ITâ€™S CRAZY, ITâ€™S CRAZY WHAT Iâ€™LL DO FOR YOU
MAYBE, JUST MAYBE ITâ€™S WHERE Iâ€™LL FIND THE BLUE
JUST A LITTLE PAST MIDNIGHT IN THE HOURGLASS
ON THE SOFT SIDE OF THE MOON, MOON, MOON

Tell me, would you tell me
If I said it first, if I found the words
If I asked you
Before you walked away

Need you, I need you
Yeah, all the time, and itâ€™s worse at night
When the lonely
Wonâ€™t let me escape

ITâ€™S CRAZY, ITâ€™S CRAZY WHAT Iâ€™LL DO FOR YOU

MAYBE, JUST MAYBE ITâ€™S WHERE Iâ€™LL FIND THE BLUE
JUST A LITTLE PAST MIDNIGHT IN THE HOURGLASS
ON THE SOFT SIDE OF THE MOON, MOON, MOON

Iâ€™m not losing my mind, just losing myself
Losing all track of time (4X)

ITâ€™S CRAZY, ITâ€™S CRAZY WHAT Iâ€™LL DO FOR YOU
MAYBE, JUST MAYBE ITâ€™S WHERE Iâ€™LL FIND THE BLUE
JUST A LITTLE PAST MIDNIGHT IN THE HOURGLASS
ON THE SOFT SIDE OF THE MOON, MOON, MOON
