Fill Me Now

Marisa Aud

Let the presence of God come and fill me now
Fill me
Let the rain from above come and fill me now
Fill me

Lord here me crying
Spirit fall on me

Let the windows of heaven open
Lord I'm desperate, Lord I'm broken

Let your mercy oh God come and fill me now
Fill me
I'm not the end of myself and I'm calling out
Fill me

Lord here me crying
Spirit fall on me
My soul is longing
For more of you

Let the windows of heaven open
Lord I'm desperate, Lord I'm broken
I've never been down this road before
And I need your Spirit Lord

Fill me now
Fill me now with your might and glory
Let your goodness pass before me
I tried admitting you reign
So I cried to you again
Fill me now

Fill me now
Fill me now
Fill me now
