

Fill Me Now

Marisa Aud

Let the presence of God come and fill me now

Fill me

Let the rain from above come and fill me now

Fill me

Lord here me crying

Spirit fall on me

Let the windows of heaven open

Lord I'm desperate, Lord I'm broken

Let your mercy oh God come and fill me now

Fill me

I'm not the end of myself and I'm calling out

Fill me

Lord here me crying

Spirit fall on me

My soul is longing

For more of you

Let the windows of heaven open

Lord I'm desperate, Lord I'm broken

I've never been down this road before

And I need your Spirit Lord

Fill me now

Fill me now with your might and glory

Let your goodness pass before me

I tried admitting you reign

So I cried to you again

Fill me now

Fill me now

Fill me now

Fill me now
