Me not gon wife up, no girl if she bow

Gal inna bed an, she nuh know what to do

But me not gon wrinkle and screw

Because me dun have me gal a sea view  
Me not gon run to get, no uptown girl  
True, she brown and she pretty like pearl  
True, me know a mamma man round de world  
You could-a find out your girl-a name Earl  
Man if yuh have a ghetto girl a look fi proud  
Although she might-a look-a
