

Hummingbird Heartbeat

Katy Perry

You make me feel like I'm losing my virginity
The first time, every time when you're touching me
I make you bloom like a flower that you've never seen
Under the sun we are one buzzing energy Let's pollinate to create a family tree
This evolution with you comes naturally
Some call it science, we call it chemistry
This is the story of the birds and the bees Even the seasons change
Our love still stays the same You give me that hummingbird heartbeat
Spread my wings and make me fly
The taste of your honey is so sweet
When you give me that hummingbird heartbeat
Hummingbird heartbeat Oh, oh, hummingbird heartbeat
Oh, oh, hummingbird heartbeat I've flown a million miles just to find a magic seed
A white flower with the power to bring life to me
You're so exotic, my whole body fluttering
Constantly craving for a taste of your sticky sweet Always on the brink of a heart attack
You gave me life and keep me coming back
I see the sun rise in your eyes, your eyes
We've got a future full of blue skies, blue skies Even the seasons change
Our love still stays the same You give me that hummingbird heartbeat
Spread my wings and make me fly
The taste of your honey is so sweet
When you give me that hummingbird heartbeat
Hummingbird heartbeat Oh, oh, hummingbird heartbeat
Oh, oh, hummingbird heartbeat You love me, you love me
Never love me not, not, oh no
When we're in perfect harmony
You make me sound like, like a symphony, oh Spread my wings and make me fly
The taste of your honey is so sweet
When you give me that hummingbird heartbeat
Hummingbird heartbeat You give me that hummingbird heartbeat
Spread my wings and make me fly
The taste of your honey is so sweet
When you give me that hummingbird heartbeat
Hummingbird heartbeat Oh, oh, hummingbird heartbeat, hey, yeah
Oh, oh, hummingbird heartbeat, hey, yeah
Oh, oh, hummingbird heartbeat
Oh, oh, hummingbird heartbeat
