Xabier

Russian Red

For a while your smile was perfect
and in your eyes the truthful sight of a real man
but then again I was missing the service
of a young boy who's never loved before, ohOur walks at night in the city were endless
we felt like teenagers filled with passion and hope
We rented cars, found jacuzzis and a nice waitress
and were tempted by the cloudy lights and the noisy weddings, ohI've seen you walk around the block
and you do certainly walk like a strangerI've seen you walk around the block
and you do certainly walk like a stranger
I've seen you walk
I've seen you walk
I've seen you walk
For a while all of our clothes were strangers
and picked each day a new and rare costume of love
