

# Punk the Halls

## Stellar Kart

It's a silent night, the snow is falling down  
Friends and family all gather 'round  
Christmas tree with presents underneath  
I thought I hear the voices caroling But something's different on this midnight clear  
The sound of angels  
Let's get Rudolph and Santa's sleigh  
And all our fans, we're on our way Punk the halls, three cheers for Christmas  
Hey, hey, hey and a ho, ho, ho  
It's a holiday, no one can stop us  
Welcome to the punk rock Christmas show So come all you fans pulsing this Christmas song  
And dance to the Drummer Boy playing along  
It's the most wonderful time of the year  
I'll be home for Christmas but while I'm here Punk the halls, three cheers for Christmas  
Hey, hey, hey and a ho, ho, ho  
It's a holiday, no one can stop us  
Welcome to the punk rock Christmas show Oh, come let us adore Him  
Oh, come let us adore Him  
Oh, come let us adore Him  
Christ the Lord Punk the halls, three cheers for Christmas  
Hey, hey, hey and a ho, ho, ho  
It's a holiday, no one can stop us  
Welcome to the punk rock Christmas Punk the halls, three cheers for Christmas  
Hey, hey, hey and a ho, ho, ho  
It's a holiday, no one can stop us  
Welcome to the punk rock Christmas show Welcome to the punk rock Christmas show
