## **Psychotic Precision**

## **Cannibal Corpse**

Horrific perception that enters the brain
An abnormal psyche insanity's brain
Cemented beyond immeasurable doubt

Psychotic or not they need a way outOf their obscured minds

If they want to be set free

Lunatics of wrath

Horrid killing viciouslyLike incisions

With conviction

Various deaths

IdenticalIn hell they will find

It is where they need to be

Murder redefined

Butchered meticulouslyKilled the same way

On the same day

Various deaths

IdenticalPsychotic precision, psychotic precision, psychotic precision

Psychotic precision

Psychotic precision, psychotic precision, psychotic precision

Psychotic precisionAware not of age cruel visions each had

To slaughter alike they must truly be mad

Rewarded with blood on their ignorant hands

These psychos precisely slew many menWith their obscure minds

Feeling that they were set free

Murder redefined

Butchered meticulouslyLike incisions

With conviction

Various deaths

IdenticalKilled the same way

On the same day

Abysmal deaths

Imperceptible
