We're In the Money

Rosemary Clooney

We're in the money, we're in the money
We've got a lot of what it takes to get along
We're in the money, the skies are sunny
Old man depression you are through, you're gonna strungWe never see a headline, 'bout a breadline today
And when we see the landlord
We can look that guy right in the eyeWe're in the money, c'mon my honey
Let's spend it, lend it, send it, rollin' alongWe never see a headline, 'bout a breadline today
And when we see the landlord
We can look that guy right in the eye
