Don't Worry Baby

Rivers Cuomo

Well its been building up inside of me
For, oh, I don't know how long
I don't know why
But I keep thinking
Something's bound to go wrongBut she looks in my eyes
And makes me realize
And she says don't worry baby
Don't worry baby
Don't worry baby
Everything will turn out alrightDon't worry baby
Don't worry baby
Don't worry babyI guess I should've kept my mouth shut
When I started to brag about my car
But I can't back down now
Because I pushed the other guys too farShe makes me come alive
And makes me wanna drive
When she says don't worry baby
Don't worry baby
Don't worry baby
Everything will turn out alrightDon't worry baby
Don't worry baby
Don't worry babyShe told me baby, when you race today
Just take along my love with you
And if you knew how much I love you
Baby nothing could go wrong with youOh what she does to me
When she makes love to me
And she says dont worry baby
Don't worry baby
Don't worry baby
Everything will turn out alrightDon't worry baby
Don't worry baby
Don't worry baby
