

Tell It Like It Is

Otis Redding

If you want something to play with
Go and find yourself a toy
Baby my time is so expensive, girl, yeah
And I'm not just a little little betty baby boy, no no
Otis, if you are serious
Don't play with my heart, it makes me furious
But if you want me to love you
Baby, you know I will, honey, you know I will
Tell it like it is, yeah

Don't be ashamed to let your conscience be your guide
Tell it like it is
I want you to forget your foolish pride, oh yeah
Life is too short to have sorrow (oh, yes it is)
You may be here today and gone tomorrow
You might as well get what you want
So go on and live, Carla honey, baby, go on and live
I'm just tell it like it is
Just you can threat me right, go and find yourself a little little baby boy
I'm just tell you like it is
'Cause I'm too good to you forget, don't you mess over me...
