

# Room In Your Heart

## Living In a Box

Living in a box-Room in your heartOh woh woh, no matter how below (how)  
Oh, oh wohIt's dark and cold tonight, I'm walking all alone  
And one step at a time I'm getting closer  
I know she's hard to find, instinctively I try  
To take the path of love into the night  
There would be no reason if you really didn't care  
There would be no reason for loveThe door is open wide, is anybody there  
I know this must be the room in your heart  
I really don't know why but it's so easy to breathe  
I know this must be the room in the heart, oh oh-oh yeahNo answers question me, no one's been here before  
I am the first to see the light at your door  
If I could hold you now I wouldn't disagree  
With these four walls you're protecting me, oh-oh-oooh  
There would be no reason if you really didn't care  
There would be no reason for loveThe door is open wide, is anybody there  
I know this must be the room in your heart  
I really don't know why but it's so easy to breathe  
I know this must be the room in the heart, oh yeahI can feel it, I can feel it  
I can feel the love that's surrounding me coming out of you  
I can feel it (coming out, coming out, coming out) yeahThe door is open wide (is anybody there)  
(I know this must be the room in your heart)  
(I really don't know why but it's so easy to breathe) mmm, breathe  
Oh oh-oh-oh (I know this must be the room in your heart)  
I know this must be, I know this must beI know, ooh ooh, is anybody thereOh oh (the door is open wide, is  
anybody there) oh oh  
(I know this must be the room in your heart) ah ah  
(I really don't know why) I really don't know why  
(But it's so easy to breathe)  
(I know this must be the room in your heart)
