Voyage to Infinity

Bad Brains

On this voyage to infinity
can't forget to take your soul
Cause at the port you'll find no double sign (no-oh-ohh)It feels so good to know
that his light will shine forever and ever
You know it feels so good
Rasta is not a lieOn this cruise you will have peace of mind
with a garden reeked of love
For the sake of earnest unity
on this voyage to infinityOn this voyage to infinity
can't forget to take your soul
Cause at the port you'll find no double sign
Oh No...Oh No..Oh No..NOOO!!!
