

# Kissing a Wolf

## Johnny Klimek & Reinhold Heil

This was never the way I planned  
not my intention  
I got so brave, holding his hand  
Lost discretion  
It's not what, I'm used to  
Just don't tell Edward  
I'm curious for you  
It's just a friendly gesture I kissed a wolf and I liked it  
The taste of his earthy lips  
I kissed a wolf, just to try it  
I hope Edward won't mind it  
I know it was wrong  
But it felt so right  
I love Edward only at night  
I kissed a wolf and I liked it No, Alice won't know  
She can not see you  
Around Edward you are my foe  
Because if he knew  
You would be a dead dog  
No matter if you said sorry  
You are so hot  
So be quiet, or pay the fee I kissed a wolf and I liked it  
The taste of his earthy lips  
I kissed a wolf, just to try it  
I hope Edward won't mind it  
I know it was wrong  
But it felt so right  
I love Edward only at night  
I kissed a wolf and I liked it You are so magical  
Hot skin, strong hands, so kissable  
Hard to resist so touchable  
Edward is just as good  
But I choose you tonight I kissed a wolf and I liked it  
The taste of his earthy lips  
I kissed a wolf, just to try it  
I hope Edward won't mind it  
I know it was wrong  
But it felt so right  
I love Edward only at night

I kissed a wolf and I liked it
