

Kings Of The Day

Asia

Heroes of the future
The keepers of the past
And objects of our beauty
Remaining till the last Walking on the water
The oceans at our feet
The passage of our nature
The taste of bitter-sweet So shall we be kings?
Born just to win
Proud voices sing
And we wish that this life
Would go on and on Looking in the distance, ooh
The fever on the street
Cast away the covers
Let my people see Oh, rulers of the network
Leaders from the dark
Embrace a generation, oh
The first will be the last So shall we be kings?
Born just to win
Proud voices sing
And we wish that this life
Would go on and on Shall we be kings?
Born just to win
Proud voices sing
And we wish that this life
Would go on and on We will never give up
Till the day is done Shall we be kings?
Born just to win
Proud voices sing
And we wish that this life
Would go on and on Shall we be kings?
Born just to win
Proud voices sing
And we wish that this life
Would go on and on We will never give up
Till the day is done
And we hope that the word
Will live on and on Time waiting
Time taking
Life, ooh Time waiting

Time taking
Life, oohTime waiting
Time taking
Life
