Shed Your Skin

Indigo Girls

One hundred 'n' fifteen
You are seventeen
Itchy trigger
And venomous
You're growin' longer
You're growin' stronger
So shed your skin
Baby now shed thisCome on over now
Come on over baby
Tell me it's holy holy
I don't know what it is
Come on over now
Let's call it the fullness of time
And I don't know what it is
Come on over nowHey holy
Console me
Some power
Controls me
Remorse it
I force it
Can't free it
So be itI'm speaking in tongues
Handling you
I got religion now look at it
The days grow longer
As we grow stronger
So shed your skin baby
Let it ripCome on over now
Come on over baby
Tell me it's holy holy
I don't know what that is
I call it the fullness of time
I don't know if it is
Come on over nowHey holy
Console me
Some power
Controls me
Remorse it
I force it

Don't free it
Just be it
Just be it
Just be itI've been lookin' to find you
But it's a little too late too soon
And I looking out and far
Spirits are your doom
In you
In youI got the hangman
I got Milagro
I got the celebration too
The flesh is strong
My spirit's stronger
So shed your skin
Baby let it throughCome on over now
Come on over baby
Tell me it's holy holy
Like I don't know what it is
Come on over child
I want to call it the fullness of time
I don't know what it is
Come on over nowHey holy
Console me
Some power
Controls me
Remorse it
I force it
Can't free it
So be itHey holy
Console me
Some power
Controls me
Come on over baby
