Send the Rain

The Blunkall Family

I'm tired of just the same old thing
Tradition wearing out your name
I'm tired of manmade worship hour
I'm tired
I'm tired of a song with no praise
Where worshipping you is out of place
I'm tired of religious formality
I'm tired

Send the rain
Send the fire
Send the wind
Send the Holy Ghost in power
Send the rain

We're ready for revival Lord
We're ready to walk through that door
We're ready Lord,oh let it pour
We're ready Lord
We're ready Lord,enough is enough
We're ready to drink from your cup
We're ready Lord,oh fill us up
We're ready Lord

Send the rain
Send the fire
Send the wind
Send the Holy Ghost in power
Send the rain
Send the fire
Send the wind
Send the Holy Ghost in power
Send the rain
