One I Want

Van Halen

Poorman, he just want a little
Richman, wanna little bit more
Superman, he looking for Lois
Salesman, try to sell you his soul
Fatman, he's ordering seconds
Pizzaman, just wanna slice
Badman, looking for attention
A goodman, he's hard to findMailman, looking more like your daughter
Strawman, don't have a leg to stand on
Gayman, looking for another
Candyman, yeah the candyman can
Blackman, he looking for justice
Whiteman, tryin' to get a tan
Woman, just wanna buy a first class
Holyman, take me to the promised landEveryone's looking for something
Wanting their piece of the pie
Searching for their slice of Heaven
I gotta have mine, yeah mineAnd you're the one I want
(The one I want)
The only one I want
(The one I want)
Yeah, the one I want
(The one I want)
The only one I want
(The one I want)Boogieman, he giving me the creeps
Sandman, kicking mud in your eye
Pianoman, in the mood for a melody
Strongman yeah, he knows how to cry
Apeman, ain't nobody's uncle
A luckyman, don't always know who they are
Deadman, living for tomorrow
Wiseman, following a starI ain't saying I'm different
Wanting my pie in the sky
I'm just a little impatient
Until I get mine, yeah mineAnd you're the one I want
(The one I want)
The only one I want
(The one I want)
Yeah yeah, the one I want

(The one I want)
The only one I want
(The one I want)The one I want
The one I want
The only one I want
(The one I want)
The only one I want
(The one I want)
Yeah, yeah, the one I want
(The one I want)The only one I want
(The one I want)
The only one I want
(The one I want)
The only one I want
(The one I want)
