A goodman, he's hard to find Mailman, looking more like your daughter  
Strawman, don't have a leg to stand on  
Gayman, looking for another  
Candyman, yeah the candyman can  
Blackman, he looking for justice  
Whiteman, tryin' to get a tan  
Woman, just wanna buy a first class  
Holyman, take me to the promised land Everyone's looking for something  
Wanting their piece of the pie  
Searching for their slice of Heaven  
I gotta have mine, yeah mine And you're the one I want  
(The one I want)  
The only one I want  
(The one I want)  
Yeah, the one I want  
(The one I want)
