

# Pictures

Conor Maynard

I stack these messages in the corner  
(After I'm done with them)  
I still got the same oath that I've started  
That you be the one that I love

My camera shed some tears that you left in  
We're nothing, we're nothing  
How am I supposed to remember? Whoa  
I got the memories, I've got the memories saved baby  
When are we gonna share a kiss girl?  
Do do na na  
When I'm older and my mama's telling me to forget you?  
What's gonna make me remember?

That's why I was always taking picture pictures  
Cause I didn't wanna miss a thing (Miss a thing)  
Tell me hi could you take the pictures?  
When you knew they were all that I had  
I had nothing left  
They were part of our history (history)  
I was always taking pictures

Cause I didn't wanna miss you so bad  
Miss you this bad, miss you so bad  
Miss you so

We didn't make love we celebrated it  
Invention, confetti on the mattress I used to have those images  
Tonight I came home they were just embers in the fire  
Along with my heart drunk  
How the hell am I supposed to remember?  
Tell me now the memories  
The memories fade baby  
What am I gonna show my kids girl, whoa, whoa  
When I'm older and my mama's telling me to forget you?  
What's gonna make me remember?

That's why I was always taking picture pictures  
Cause I didn't wanna miss a thing (Miss a thing)

Tell me hi could you take the pictures?  
When you knew they were all that I had  
I had nothing left  
They were part of our history (history)  
I was always taking pictures  
Cause I didn't wanna miss you so bad  
The video that pulled you round  
I reckon the love we had

Night come wasn't fast enough  
To catch my heartbreak now  
Smiles in my picture frames no  
Just got them lil basic ones  
That picture frame comes with  
Models come with the pictures  
That's why I was always taking picture pictures  
Cause I didn't wanna miss a thing

Tell me hi could you take the pictures?  
When you knew they were all that I had  
I had nothing left  
They were part of our history (history)  
I was always taking pictures  
  
Cause I didn't wanna miss you so bad  
Miss you this bad, miss you so bad  
Miss you so.
