Amie

Liquido

he covers some lovesongs
better than I would - oh no
he knows how to heartbreak
quicker than I could - ahaand it's nothing but a sad song
and i'm nothing but a simple boyI'm gaining ground - oh yeah
and this is how she came
be the only one - turn aroundturn around, turn around, turn aroundAmie, no I can't help,
no I can't help it
amie, amie.....I know you're sweet as can be
and you know the shore
so sensitive in mind
I know I won't lick off that
hot tanned skin right now
naked and devine...and it's gonna be clapped
and it's gonna be anyone
lovely sound - that sound
...and there's gonna be a handshake
and it's gonna be over - turn aroundturn around, turn around, turn around
amie, no I can't help,
no I can't help itamie, amie.....
