Follow The Hollow

Soilwork

Welcome, won't you please step aside?
Follow the hollowI fight the forces that will bring me down
They crawl without a sound
They wake me up at night
Kill the lights, make it rightNo time for slumber
I'm getting dumber every sigh
Every time I'm standing tall
Every time I rise and fallI think we're closer now, I'm getting nearer
I can see it touching ground, it's getting clearer
Can't you see I'm way behind, I'm so sincere
I believe you'll never findWee out the sun, under the gun
Kneel down for the ricochet
My future tells no lies
To a creature with no rightsFor the plans I have in mind
I have nothing left to find
Please show a sign
Who's next in line?I think we're closer now, I'm getting nearer
I can see it touching ground, it's getting clearer
Can't you see I'm all denied, faith fucked believer
I claim you'll never find, a better fearTake a look, take a ride, stay by my side
Don't dare to think, let's follow the hollow
It kills your pride to be alive
Please step aside, 'cause I follow the hollowWe head for hell and we do it well
Come eat the dust
'Cause it's all a dirty lie
That chokes the skyI think we're closer now, I'm getting nearer
I can see it touching ground, it's getting clearer
Can't you see I'm way behind, I'm so sincere
I believe you'll never find, a better fearTake a look, take a ride, stay by my side
Don't dare to think, let's follow the hollow
It kills your pride to be alive
Please step aside, 'cause I follow the hollowTake a look, take a ride, stay by my side
Don't dare to think, let's follow the hollow
It kills your pride to be alive
Please step aside, 'cause I follow the hollowI think we're closer now, I'm getting nearer
I can see it touching ground, it's getting clearer
Can't you see I'm all denied, faith fucked believer
I claim you'll never find a better fearTake a look, take a ride, stay by my side
Don't dare to think, let's follow the hollow

It kills your pride to be alive
Please step aside, 'cause I follow the hollowTake a look, take a ride, stay by my side
Don't dare to think, let's follow the hollow
It kills your pride to be alive
Please step aside, 'cause I follow the hollow now
