

# Can You Hear Me

## Missy 'misdemeanor' Elliott

{Missy it's Diane  
Here's the information for the  
Where, where you can send the flowers to  
The florist for Aaliyah  
I'll give you the phone, phone number  
In case you need it  
Okay Missy take of yourself  
I love you  
I love you, bye, bye }  
I been checkin' on your moms and dad  
And your brother, sister, day you left  
Passed on and went away with God  
But for your momma it's been so damn hard  
I hate to even hear her cry  
Aaliyah, she asked me  
"Why would her baby girl go this way?"  
Can you give me better words to say?  
One day she'll see you again  
With the same old beautiful smile  
Long hair and the voice of a hummingbird  
You'll be singing them same old songs  
Aaliyah, can you hear me?  
I hope that you're proud of me  
Me and Tim, we been doing our thing  
But it's never been the same since you had to go  
I ain't never met a friend more incredible  
I know you're in real good hands  
With God, but damn, I miss you  
Aaliyah, if you see Left Eye  
Will you tell her me and Boz miss her too?  
'Cuz no one's gonna fill her space  
TC L not replaced  
Y'all the reasons we learned to love  
Love fly high wit' your twenty two doves  
One day we'll see her again  
With the same old beautiful smile  
Crazy but sexy, cool  
An' she'll be rappin' them same old songs  
Lisa, can you hear me?

We hope that you're proud of us  
TLC has come long way  
But it's never been the same since you had to go  
'Cuz the healing process will be long and slow  
Aaliyah, I know you're in a safer place  
You're face to face with the creator and our maker  
And if you and Left Eye happen to chat  
Tell her me an' Tionne, we know she much safer  
If you see Biggie Smalls, up in the clouds  
Tell him, he's still the illest MC we had around  
2Pac, there is only one, Big Pun RIP  
We say one, yeah, yeah  
One day we will see y'all again  
With the same old beautiful smiles  
All styles, so many styles  
And y'all be doing the same old things  
The last time we seen ya  
We hope y'all can change the world  
Let them see how short life be  
It would never be the same since you had to go  
To the music world y'all are incredible
