Whiplash

The SteelDrivers

Adrenaline starts to flow
Thrashing all around
Acting like a maniac
Whiplash
Late at night all systems go
Come, see the show
We do our best, you're the rest
You make it real you know
There is a feeling deep inside
That drives you fuckin' mad
A feeling of a hammerhead
You need it oh so bad
Adrenaline starts to flow
Thrashing all around
Acting like a maniac
Whiplash
Yeah whiplash, go
Bang your head against the stage
Like you never did before
Make it ring, make it bleed
Make it really sore
In a frenzied madness
With your leather and your spikes
Heads are bobbing all around
The sun is out tonight
Adrenaline starts to flow
Thrashing all around
Acting like a maniac, what is it?
Whiplash
It's fuckin' whiplash
Here on the stage the Marshall noise
Is piercing through your ear
It kicks your ass, kicks your face
Exploding feeling near
Now is the time to let it rip
To let it fuckin' loose
Gathered here to maim and kill
This is what we choose
Adrenaline starts to flow

Thrashing all around
Acting like a maniac, yeah
Whiplash, give it to me one time
Hey hey hey hey
Hey hey hey
Yeah, here we go
Yeah, whiplash
Get on it sucker
Show is through, metal gone, it's time to hit the road
Another town another gig again we will explode
Hotel rooms and motorways life out here is raw
We'll never stop, we'll never quit 'cause we're Metallica
Adrenaline starts to flow
Thrashing all around
Acting like a maniac
Hey hey hey hey
Hey hey hey
Yeah yeah
Yeah yeah oh oh
