Learning The Game

Sandy Denny

Hearts that are broken
A love that's untrue
These go with learning the game

When you love him
And he doesn't love you
You're only learning the game

When he says that you're
The only one he'll ever love
Then you find that you are not the one
He's thinking of

Feeling so sad
And you're all alone & blue
That's when you're learning the game
