

# Second Thoughts

## Dornik

She said How you doing?  
I say how you doing?  
I'm bout to enter the battle where no one's loosing  
Want a cup of tea?  
Who the hell is she?  
Scratch your life fight a fever who you think yah fooling...  
Shit what happened to yah?  
I be breaking bad, but I be screaming hallelujah  
In the end I'm the loosa  
I knew it when I lost her  
And now I'm begging please  
Look at what you started, you made your bed  
Don't leave me broken hearted, was all she said  
And now I'm stuck having Second Thoughts  
All alone wish that she wasn't gone  
And now I'm stuck having Second Thoughts  
Me, myself, and I as days go by  
Check  
I was playing her but, really playing myself  
For I was leaving stuff  
But I'm really the one that's been so blind  
I didn't read between the lines no  
Now shes up to gone, oh I did her wrong  
Many and times and why I wander as I pick up to her sky high  
Praying she'll come back to me  
But, do I deserve her, I made my bed  
Don't leave broken hearted was all she said  
And now I'm stuck having second thoughts  
All alone wish that she wasn't gone  
And now I'm stuck having second thoughts  
Me, myself, and I as days go by  
Never shoulda left you broken hearted  
Never before I feel this when I started  
You don't know what you got till it's gone best believe  
I guess the only thing now is to set you free  
Now I'm stuck having second thoughts  
Now I'm stuck having second thoughts  
Now I'm stuck having second thoughts  
Now I'm stuck having second thoughts

Look at what you started  
You made your bed  
Don't leave broken...  
Was all she said
