

Does Anybody Out There Even Care

[Lenny Kravitz](#)

The dream is lost, don't let it slip away
Or bloody days won't be far away
'Cause when there's no more sin
There's no where you can run Does anybody know how many lives we've lost?
Can anybody ever pay the cost?
What will it take for us to join in peace my friends?
Does anybody out there even care? Wake up world before it's too late
It's time for love to conquer hate
But when that battle's won
We all can live as one Does anybody know how many lives we've lost?
Can anybody ever pay the cost?
What will it take for us to join in peace my friends?
Does anybody out there even care? Riots in the streets
Men dressed in white sheets, is that what we want?
A little boy hanging from a tree and a burning cross
If we can learn that we're one
We can overcome before this takes us all
We'd better catch ourselves before we fall Does anybody know how many lives we've lost?
Can anybody ever pay the cost?
What will it take for us to join in peace my friends?
Does anybody out there even care?
Does anybody out there even care?
