

Express Yourself (Remastered 2000)

N.W.A.

Yo man there's a lot of brothers out there
Flaking and perpetrating but scared to kick reality
Man, you been doing all this dope producing
You ain't had a chance to show 'em what time it is
So what you want me to do?

(Express yourself!) I'm expressing with my full capabilities

And now I'm living in correctional facilities

Cause some don't agree with how I do this

I get straight and meditate like a Buddhist

I'm dropping flavor, my behavior is hereditary

But my technique is very necessary

Blame it on Ice Cube, because he said it gets funky

When you got a subject and a predicate

Add it on a dope beat, and it'll make you think

Some suckers just tickle me pink, to my stomach

Cause they don't flow like this one

You know what? I won't hesitate to diss one

Or two before I'm through, so don't try to sing this

Some drop science, while I'm dropping English

Even if Yella, makes it a-capella

I still express, yo, I don't smoke weed or sess

Cause it's known to give a brother brain damage

And brain damage on the mic don't manage, nothing

But making a sucker and you equal

Don't be another sequel (Express yourself!)(Express yourself!)

(Go on and do it)

(Express yourself!)

(Express yourself!)

(Go on and do it) Now, getting back to the PG

That's program, and it's easy

Dre is back, new jacks are made hollow

Expressing ain't their subject because they like to follow

The words, the style, the trend; the records I spin

Again and again and again, yo, you're on the other end

Watch a brother blend dope rhymes, with no help

There's no fessing or guessing while I'm expressing myself

It's crazy to see people be

What society wants them to be, but not me

Ruthless, is the way to go, they know

Others say rhymes which fail to be original

Or they kill where the hip-hop starts

Forget about the ghetto, and rap for the pop charts
Some musicians cuss at home
But scared to use profanity when upon the microphone
Yeah, they want reality, but you will hear none
They'd rather exaggerate a little fiction
Some say no to drugs, and take a stand
But after the show, they go looking for the "Dopeman"
Or they ban my group from the radio
Hear N.W.A. and say, "Hell no!"
But you know it ain't all about wealth
As long as you make a note to (Express yourself!)(Express yourself!)
(Go on and do it)
(Express yourself!)
(Express yourself!)
(Go on and do it)(Express yourself!) from the heart
Cause if you want to start to move up the chart
Then expression is a big part of it
You ain't efficient when you flow, you ain't swift
Movin like a tortoise, full of rigor mortis
There's a little bit more to show
I got rhymes in my mind, embedded like an embryo
Or a lesson, all of 'em expression
And if you start fessing, I got a Smith and Wesson for ya
I might ignore your record because it has no bottom
I get loose in the summer winter spring and autumn
It's Dre on the mic, getting physical
Doin' the job, N.W.A is the lynch mob!
Yes I'ma climb, but you know you need this
And the knowledge is growing just like a fetus
Or a tumor, but here is the rumor
Dre is in the neighborhood and he's up to no good
When I start expressing myself, Yella, slam it
Cause if I stay funky like this I'm doing damage
Or I'ma be too hyped, and need a straight jacket
I got knowledge, and other suckers lack it
So, when you see Dre, a DJ on the mic
Ask what it's like, it's like we're getting hyped tonight
Cause if I strike, it ain't for your good health
But I won't strike if you just (Express yourself!)(Express yourself!)
(Go on and do it)
(Express yourself!)
(Express yourself!)
(Go on and do it)
(Express yourself!)
(Go on and do it)

(Go on and do it)
