# Something Big

## Burt Bacharach

Like a grain of sand that wants to be a rolling stone
I want to be the man I'm not and have the things
I really haven't got and that's a lotThere'll be joy and there'll be laughter
Something big is what I'm after now
Yes, it's what I'm after nowAfter taking, I take up giving
Something big is what I'm living for
Yes, it's what I'm living for, living forWhy do I go on and fill my life
With little things
When there are big things I must do?And lots of dreams
That really should come true
Before I'm throughThere'll be joy and there'll be laughter
Something big is what I'm after now
Yes, it's what I'm after nowAfter taking, I take up giving
Something big is what I'm living for
Yes, it's what I'm living for, living forAfter taking, I take up giving
Something big is what I'm living for
Yes, it's what I'm living forAfter taking, I take up giving
Something big is what I'm living for
Yes, it's what I'm living for, living forAfter taking, I take up giving
Something big is what I'm living for
Yes, it's what I'm living for, living forAfter taking, I take up giving
Something big is what I'm living for
Yes, it's what I'm living for, living forAfter taking, take up giving
Something big is what I'm living for
