

# A Feast for the Vain

[Kamelot](#)

Everyone is here, the feast can soon begin  
Vanity we celebrate, my favorite of sins  
Chandeliers so grand that heaven sees the shine  
And my friend declares, everything I look at could be mine  
It's a miracle, life till now has been a waste  
You have proved to me, by your hand I'm truly graced  
Unbelievable, gold and glitter blinding me  
So adorable, all these women from my fantasies  
Come with me my little ones, let's revel for the free  
Raise your glass and praise the fact, how easy life can be  
In the splendor of the night, I've found company  
Once again I feel that life's begun  
All the wrongs seem to be right, drowned in ecstasy  
Every star is like a newborn sun  
May the life I knew be gone, I accept the deed  
But one point we have to modify  
If I wish to linger on in a state of still  
Only then I'm yours the day I die
