# I've Got Your Fire (2014 Version)

## Jenn Grant

Beautiful lady, she had her baby, and she walked ten miles.
Through the snow, the wind blowing cold, she said "got to get away for a while".
Through the summer, to the end of October, Heaven knows how she tried,
Went out she cried "Gabriel, can you keep me in line? ", oh, hear him sing.I've got your fire, I've got your fire,
I've got your fire,
I've got your fire, I've got your fire, I've got your fire.Oh, Sadie, she had a mermaid,
Saying, maybe, she took a chance at an older phase.
Running through the streets she was wild, a beauty queen.
Went out, she cried "Gabriel, can you keep me in line? ", oh, hear him saying.
I've got your fire, I've got your fire, I've got your fire,
I've got your fire, I've got your fire, I've got your fire.I'll take what your heart can't take,
I'll take what your heart can't take,
I'll take what your heart can't take,
I'll take what your heart can't take.
I've got your fire, I've got your fire, I've got your fire,
I've got your fire, I've got your fire, I've got your fire.I've got your fire, I've got your fire, I've got your fire,
I've got your fire, I've got your fire, I've got your fire.
