Your Love (D&K Edit) [Bonus Track]

Culture Beat

I'm trying to find you, I'm looking everywhere
Anywhere, I don't care
I gotta find you
I'm feeling so scared. Are you there?
Tell me where
I'm hoping to find you
I need you in my life, by my side
All the time. I'm trying to find you
I need you in my life all the time
Tell me why?
I want you close to me, just give me what I need
I want your love, give me
I want you close to me, just give me what I need
I want your love, give me your love
I want you close to me, just give me what I need
I want your love, give me
I want you close to me, just give me what I need
I want your loveI'm trying to find you, I'm looking everywhere
Anywhere, I don't care
I gotta find you
I'm felling so scared. Are you there?
Tell me where
I'm longing to take you
I want you, I don't care
Touch me here, touch me there
I gotta have you
I wanna be your girl
Don't you know that I'm here?
I love you
I need you
I miss you
I see you
I kiss you
I feel you
I want you to want me
I love you
I need you
I miss you
I see you

I kiss you
I feel you
I want you
I want you close to me, just give me what I need
I want your love, give me
I want you close to me, just give me what I need
I want your love, give me your love
I want you close to me
