

# Dearest Forsaken

## Iron & Wine

To my dearest forsaken  
Who the earth now has taken  
Empty, the bottle drains no more  
It is true that I loved you  
Despite the harm that I own you  
Wash out the river has you boy  
Here on the eve of too long  
Where you'll think I've done wrong  
Waking in fear of you no more  
I'll put my trust in the Savior  
Fielding forces of nature  
Strength of the stump I tied you boy  
To my dearest forsaken  
Dearest vow I have broken  
Afraid of your angry hands no more  
I'll put my trust in the Savior  
River may help me later  
Sleeping my lost love for you boy
