

# New World In the Morning

[Roger Whittaker](#)

Everybody talks about a new world in the morning  
New world in the morning so they say  
Now, I, myself don't talk about a new world in the morning  
New world in the morning, that's today  
And I can feel a new tomorrow comin' on  
And I don't know why I have to make a song  
Now everybody talks about a new world in the morning  
New world in the morning takes so long  
I met a man who had a dream he'd had since he was twenty  
I met that man when he was eighty-one He said too manyfolks just stand and wait until the mornin',  
Don't they know tomorrow never comes  
And he would feel a new tomorrow coming on  
And when he'd smile his eyes would twinkle up in thought  
Now, everybody talks about a new world in the morning  
New world in the morning takes so long  
And I can feel a new tomorrow coming on  
And I don't know why I have to make a song  
Now, everybody talks about a new world in the morning  
New world in the morning takes so longLa-da-da-dee-da-da  
La-da-da-dee-da-da
