

How Blue Can You Get?

[Cyndi Lauper](#)

Been downhearted baby
Ever since the day we met
I've been downhearted baby
Ever since the day we met
Our love is nothin' but the blues
Baby how blue can you get My love is like a fire
Your love is like a cigarette
My love is like a fire
But baby yours is like a cigarette
I watch you step down on it baby and crush it
Tell me how, tell me how, how blue can you get You're evil when I'm with you
And you're jealous when we're apart
Yes you're evil when I'm with you baby
Lord have mercy, you're jealous when we're apart
How blue can you get
Hey that's a writing in my heart I gave you a brand new Ford
And you just said I want a Cadillac
I bought you a ten dollar dinner
You said Thanks for the snack
I let you live in my penthouse
You said it was just a shack
I gave you seven children
And now you wanna give 'em back
