Model Behaviour

Kate Nash

Hey bitch touch this
Dooo yooo ay yayayahyay!
You don't have to suck dick to succeed
You don't have to suck dick to succeed
You don't have to suck dick to succeed
You don't have to suck dick to succeed
Standing there, all you do is stare
You got no soul, and you just don't care
About anything but yourself
Did you know other people exist?
Don't wanna hear about your life
Hang out with you?
I'd rather die!
Please stop wasting all my time
Your goddamn yourself hook all out
You don't have to suck dick to succeed
You don't have to suck dick to succeed
You don't have to suck dick to succeed
You don't have to suck dick to succeed
Woke up on two sides of society
To drag me down, you're gonna have to fight me!
I don't wanna shake your dirty hand
I don't wanna live in lala land
Mumma said you're a bit naive
Or just a bitch, who forgot to eat!
No real rave and no release
Your life is so fucking empty!
You don't have to suck dick to succeed
You don't have to suck dick to succeed

You don't have to suck dick to succeed
You don't have to suck dick to succeed
You don't have to suck dick to succeed
You don't have to suck dick to succeed
You don't have to suck dick to succeed
You don't.. wooahh!
Heeeeeyyyy... heyyyy..Hey...
Hey baby
Nice big lips

Do you wanna touch it?
Hey, hey
Nice big lips, do you
Want to touch it?
Hey, hey
Nice big lips, haah
Do you, want to touch it?
Hey, hey
Nice big lips (ready?)
Do you, want to touch it?
AAAAAAAAAAAAAAAAAAAH
You don't have to suck dick to succeed
You don't have to suck dick to succeed
You don't have to suck dick to succeed
You don't have to suck dick to succeed
You don't have to suck dick to succeed
You don't have to suck dick to succeed
You don't have to suck dick to succeed
You don't have to suck dick to succeed
Woahh, aah, aah, woo!
Aah ya ahahahahahah
