Try to Make a Fire Burn Again

Dawn Landes

I don't love, I just give up
Not gonna try to understand
Give it way every day
I don't think I'm gonna understandUh, getting out of hand
Don't you want to love me all over again?
Uh, coming over me
Don't you want to see me mistreat me?
Try to make a fire burn againBless my soul, I fill my bowl
Not gonna try to understand
I wait for time, an easy mind
Don't think I'm gonna understandUh, getting out of hand
Don't you want to love me all over again?
Uh, coming over me
Don't you want to see me mistreat me?Uh, getting out of hand
Don't you want to love me all over again?
Uh, coming over me
Don't you want to see me mistreat me?
Try to make a fire burn again
