

Pain In Any Language

Apollo 440, Stealth Sonic Orchestra & Billy Macken

I'm gonna love you - till you love me then no more
You're gonna need me - like I need you right now
I'm gonna screw you - for all you're worth and no more
You're gonna need me - it's the same in any languageThe pain in any language is the same in any languageI'm
gonna love you - till you love me then no more
You're gonna need me - like I need you right now
You're gonna need me - it's the same in any languageThe pain in any language is the same in any languageI'm
gonna love you - till you love me then no moreIt's the same in any language
The pain in any language
Same in any languageI'm gonna love you - till you love me then no moreLook, you're gonna need me
They won't love you, like I love you
They won't love you, like I do
They won't love you, like I love you
They won't love you, like I do
