

# Mister Sister

Kate Pierson

Hey Mister Sister  
You've got the world on your shoulders  
They make you play with toy soldiers  
They hope you'd change as you grew olderHey Mister Sister  
You raid her closet for fishnets  
It's lonely, but you keep wishing  
I know there's no one who listensBetrayed by the mirror  
When what you feel is not what you can see  
Betrayed by the mirror  
till finally, finally, finally, yeah!  
You hear the words  
You make a beautiful girl  
A beautiful girl  
And nothing hurts  
When you are a beautiful girl  
A beautiful girlYou hear the words  
You make a beautiful girl  
A beautiful girl  
And nothing hurts  
When you are a beautiful girl  
A beautiful girlHey Mister Sister  
They named you something be blical  
Now you are Debbie Delicious  
And you're on everyone's party wish list  
Betrayed by the mirror  
When what you feel is not what you can see  
Betrayed by the mirror  
till finally, finally, finally, yeah!You hear the words  
You make a beautiful girl  
A beautiful girl  
And nothing hurts  
When you are a beautiful girl  
A beautiful girlAnd nothing hurts  
When you are a beautiful girl  
A beautiful girlAnd nothing hurts  
When you are a beautiful girl  
A beautiful girl
