All Night (Kaytranada remix)

Chance the Rapper

Come on, big fella, you drunk, big fella
Two sips and now you wanna trip, big fella
You not a drinker, I can see it all in your leg, big fella
You wobbly, big fella, you finna fall
Sit down, you drunk, big fellaAll night, I been drinking all night
I been drinking all night, I been drinking, ay ay
All night, I been drinking all night
I been drinking all night, I been drinking, hey
All night, I been drinking all night
I been drinking all night, I been drinking, ay ayEverybody outside, everybody outside
When I pull up outside, all night, no
Everybody high five, everybody wanna smile
Everybody wanna lie, that's nice, no
Oh, now you wanna chill, oh, now you wanna build
Oh, now you got the bill, that's cool though
Oh, now you got the gas, oh, now you wanna laugh
Oh, now you need a cab, that's true though
All you do is talk, I ain't got shit to say
Can't no one get in my car, I don't even valet
Long discussions, oh, you my cousin?
No you wasn't, you just wanna ride
You just wanna talk about politics, Chicago shit and rocket ships
Shut up! Start dancing, hoeAll night, I been drinking all night
I been drinking all night, I been drinking, ay ay
All night, I been drinking all night
I been drinking all night, I been drinking, hey
All night, I been drinking all night
I been drinking all night, I been drinking, ay ayYou just went and spilt fries in the seat
Sprite on the seat, come ride on the seat, ay
Last girl, she'll lie on the seat, she'll fart on the seat
Now she jog in the streets, say
I don't trust no one faking like a fan, asking for a pic
You should use your phone, call a Uber
You a goofy if you think I don't know you need a Lyft
Is you is or is you ain't got gas money
No IOU's or debit cards, I need cash money
So back up, back up, I need space
Now, I need you to slow down, it's not a race
Now I can't really hear what you gotta say now

Shut up! Start dancing, hoeAll night, I been drinking all night
I been drinking all night, I been drinking, ay ay
All night, I been drinking all night
I been drinking all night, I been drinking all night, ay
All night, I been drinking all night
I been drinking all night, I been drinking, ay ay
