

# Root of Evil

## Jimmy Wopo

Let's get high baby, we in the movies smokin'  
that's that moon rock, astronaut, Pluto  
got them dirty birds, like Julio  
Baby, we like Bobby Smurda at the studio  
Ain't ever had shit, that ain't true no more  
Run up the chicken, chicken  
Til the sushi go  
Boy, don't sell yo soul, to them people  
There's a reason they say money root of evilJimmy Wopo:  
I hop up out that foreign coupe
