Changing lanes when we hop up in my car,

We gonna take it fast and slow and  
We gonna shut it down and  
Darling darling,  
Girl we gonna be riding, vibing, sliding,  
Harling talking bout' where they do that that,

Where they, where they do that that girl,  
I believed this could be something right  
So tell me where, let me love with you tonight,
