Shake Those Windows (Live at Shepherd's Bush)

Athlete

Lives in Edinburgh
Just across the road
Sometimes my stereo
And in my aching bones
Its on the sugar hill
And in your ring toneShake those windows
Sums and songs and
Beats and rhymes
And I like this blackout
It just helps to
Love those clear night skiesJust let the record play
And bring it back again
You can't appreciate
What we were into thenIn two seconds
He was recognized
And all the old school heads
Nodded back in time
And though we just met
I've known you all my lifeShake those windows
Sums and songs and
Beats and rhymes
And I like this blackout
It just helps to
Love those clear night skiesJust let the record play
And bring it back again
You can't appreciate
What we were into thenJust let the record play
And bring it back again
You can't appreciate
What we were into thenJust let the record play
And bring it back again
You can't appreciate
What we were into thenJust let the record play
And bring it back again
You can't appreciate
What we were into thenJust let yourself go
Just let yourself go
Just let yourself go
Just let yourself goJust let yourself go

Just let yourself go
Just let yourself go
Just let yourself go
