Black Soul

Daisuke Ishiwatari

It is not good to travel today
Neither to cross the ocean
Desert's so dry
Water-thirst kill youDon't good to travel today
Neither to cross the ocean
Desert's so dry
Water-thirst kill you
Kill you, kill you, kill you
Kill you, kill youWhen it wet it slippery, yeah
When it damp it cramp your belly
Don't want to see you underground
Don't want to see you underground
Underground, underground, undergroundCaution, my brother, caution, take heed
Black soul, you're black as they
Soul black, soul black
Soul black, soul black, soul blackI'm proud I'm black
I'm proud I'm black
I'm rejoicing I'm black
Who know black a go black again
Who know black a go black again
Soul black
My skin is black
Soul black, oh, soul blackTwo more things for I to tell you right now
Two more things for I to tell you right now
Two more...My old great grandmother-mother-mother
Great-great-great-greater-great grandmother-mother-mother-mother
She is black, soul black, yeah
She is blackMy old great grandfather
Greater-greater-great-great-great-great-great
Grandfather-father-father-father-father-father-father, oh oh
He is black, soul black, soul blackSo don't good to travel today
Neither to cross the ocean
Desert's so dry
Water-thirst kill you, oh
Kill you, oh
Kill you, mmmDon't good to travel today
Neither to cross the ocean...
