

# Black Soul

## Daisuke Ishiwatari

It is not good to travel today  
Neither to cross the ocean  
Desert's so dry  
Water-thirst kill youDon't good to travel today  
Neither to cross the ocean  
Desert's so dry  
Water-thirst kill you  
Kill you, kill you, kill you  
Kill you, kill youWhen it wet it slippery, yeah  
When it damp it cramp your belly  
Don't want to see you underground  
Don't want to see you underground  
Underground, underground, undergroundCaution, my brother, caution, take heed  
Black soul, you're black as they  
Soul black, soul black  
Soul black, soul black, soul blackI'm proud I'm black  
I'm proud I'm black  
I'm rejoicing I'm black  
Who know black a go black again  
Who know black a go black again  
Soul black  
My skin is black  
Soul black, oh, soul blackTwo more things for I to tell you right now  
Two more things for I to tell you right now  
Two more...My old great grandmother-mother-mother  
Great-great-great-greater-great grandmother-mother-mother-mother  
She is black, soul black, yeah  
She is blackMy old great grandfather  
Greater-greater-great-great-great-great-great  
Grandfather-father-father-father-father-father-father, oh oh  
He is black, soul black, soul blackSo don't good to travel today  
Neither to cross the ocean  
Desert's so dry  
Water-thirst kill you, oh  
Kill you, oh  
Kill you, mmmDon't good to travel today  
Neither to cross the ocean...
