

# If I Was Your Mother

Bon Jovi

If I was your mother  
Would you let me hold your hand?  
Would you say you were my baby?  
Would you always be my friend? If I was your mother  
Could I teach you what's right?  
Could I tell you stories?  
Maybe tuck you in  
And kiss you sweet goodnight Oh, tell me what I got to do?  
To make my life mean more to you  
I could get so close it's true  
If I was your mother Would you always believe me?  
Because I'd wake up in the middle  
Of the night  
Just to see if you need me Tell me there's no other  
With whom you're sharing your secrets  
And would you tell me 'bout all the boys  
You been bringing home to meet me Oh, tell me what I've got to do?  
To make my life mean more to you  
I could get so close it's true  
If I was yours Tell me who I got to be?  
To make you a part of me  
No one else you'd ever need  
If I was your mother, mother  
If I was your mother, mother When love is blood  
You're never on trial  
Love don't get deeper  
Than a mother and child  
Oh baby, I got to get that close to you Tell me what I've got to do?  
To make my life mean more to you  
I could get so close it's true  
If I was yours Tell me who I got to be?  
To make you a part of me  
There's no one else you'd ever need  
If I was your mother, mother  
If I was your mother, mother  
Yeah, mother, mother If I was your mother, mother  
If I was your mother, mother  
If I was your mother, mother
