Listen (Bodega Girls Remix)

An Horse

Listen, listen
I'm listening carefully,
to where exactly you might be
'cause I've had enough waiting,
I've had enough waiting for you
I'm thinking, I'm thinking
Of growing old with someone
as beautiful as you,
Just ask me to
and just ask me to
You
I'm recalling, recalling
Putting on jackets way too thin
To fight against snow way too thick,
And it coming down sideways
and you clearing my eyes
Oooh
Ive had a little too much to think,
I've had a little too much to think,
And empty rooms tend to make me believe in you
Surrounded by everything I own
boxed and labeled ready to go,
And not before time, and not before time
I'm listening,
I'm listening
