

If You Left Him For Me

Cody Simpson

Does he call you gorgeous
Even in the morning
Cause I would, I would
Does he make you laugh
When he's texting you in class, girl
'Cause I would, I would Don't need no money
Oh honey, I just need you
It drives me crazy
Oh maybe, you need me too
Let's hit the city
Come meet me
Yeah I'll show you
A thing or two I would love you longer
I would kiss you softer
I could give you everything you need
I would hold you tighter
Make you smile wider
If you just left him for me Girl you can't deny
That we're two of a kind
I swear that I'll be worth it
Don't you see how perfect it would be
If you left him for me
If you left him for me
If you left him for me Does he make you mixtapes
When you've had a bad day
Cause I would, I would
Does he buy you roses
When you're feeling low, girl
'Cause I would, I would Don't need no money
Oh honey, I just need you
It drives me crazy
Oh maybe, you need me too
Let's hit the city
Come meet me
Yeah I'll show you
A thing or two I would love you longer
I would kiss you softer
I could give you everything you need
I would hold you tighter

Make you smile wider
If you just left him for meGirl you can't deny
That we're two of a kind
I swear that I'll be worth it
Don't you see how perfect it would be
If you left him for me
If you left him for me
If you left him for meI would love you longer
I would kiss you softer
I could give you everything you need
I would hold you tighter
Make you smile wider
If you just left him for meI would love you longer
I would kiss you softer
I could give you everything you need
I would hold you tighter
Make you smile wider
If you just left him for meGirl you can't deny
That we're two of a kind
I swear that I'll be worth it
Don't you see how perfect it would be
If you left him for me
