

Better Than This

Lemar

Now here's the deal honey
It ain't about the car crib or money
Life could be oh so gravy
If you'd try to understand me, baby
Now we may get mad at each other but
The thing is don't stay mad forever 'coz
You've been with me through stormy weather and
Us two together be like bird's of a feather when

We fly so high
One body, soul and mind
You pick me up, when I'm coming down
That's why I love having you around
That love you're giving me
Is sweeter than honey
You're all I'll even need
All I'll ever need, I'll ever need
All you want, I'm gonna be
Don't care about money
It took some time to see
It don't get better than this
You could be my girl forever
We go together like pen meets paper
Want you to bear my soldiers
They can care for us when we grow older
That might sound crazy baby but
The love I'm feeling for you is a lot
I would give you everything I've got
I love the way you love me so much

We fly, so high
One body, soul and mind
You pick me up, when I'm coming down

That's why I love having you around
That love you're giving me
Is sweeter than honey
You're all I'll ever need
All I'll even need, I'll even need
All you want, I'm gonna be
Don't care about money

It took some time to see
It don't get better than this
And since I met you, baby
You touched my heart
(Deeper than you know)
Yeah, I wanna tell you how I feel about you
Listen, I love you
That love you're giving me
Is sweeter than honey
You're all I'll even need
Baby, you're all I'll ever need
All you want, I'm gonna be
Don't care about money
It took some time to see
It don't get better than this
That love you're giving me
Is sweeter than honey
You're all I'll even need
All I'll ever
All you want, I'm gonna be
Don't care about money
It took some time to see
It don't get better than this
