Here She Comes Again

Night Ranger

Here she comes again now
Walking all alone
A lazy cafe off of sunset
Where she makes her homeNow my trouble's getting close to her
Ain't no good hanging on the line
And what it always comes down to
Is I can never get around toTell her she's breaking this heart of mine
Here she comes again
I'd give her my love till the end of time
Here she comes againTell her she's breaking this heart of mine
She's breaking this heart of mine
I give her my love till the end of time
If she were mine
Here she comes againI don't understand it
I'm so confused
I call her like I planned it
But my lips won't moveIf she knew what I was feeling
She were here in my arms tonight
I'm such a fool to be lonely
And I could change if I could onlyTell her she's breaking this heart of mine
Here she comes again
I'd give her my love till the end of time
Here she comes againTell her she's breaking this heart of mine
She's breaking this heart of mine
I'd give her my love till the end of timeI'm on fire, walking high wire
Here she comes, here she comes again
Oh noI'm such a fool to be lonely
And I could change if I could onlyTell her she's breaking this heart of mine
Here she comes again
I'd give her my love till the end of time
Here she comes againTell her she's breaking this heart of mine
She's breaking this heart of mine
I'd give her my love till the end of timeHere she comes again
Tell her she's breaking this heart of mine
She's breaking this heart of mine
I'd give her my love till the end of timeHere she comes again
Tell her she's breaking
